

# COVID-19 SCREENING ALERT

## WE'RE SORRY YOU'RE NOT FEELING WELL.

Safety is our top priority. To protect the health and safety of our team members and patients, we are taking the temperature of every person who enters our care locations.

You are being sent home today because you have a temperature greater than or equal to 100°F.

### WHAT DOES THIS MEAN?

- Go home.
- Call your leader.
- Call the Occupational Health Hotline for your region and tell them about your symptoms.

### WHAT HAPPENS NEXT?

Occupational Health will provide guidance as to next steps and will continue to make contact with you every 24 hours. As soon as all the requirements for clearance are met, Occupational Health will return you to work. Your leader will be notified and you can immediately be placed back on the schedule.

### QUESTIONS?

Please visit [HMHCovid.org/Team Member Info](https://www.hmh.com/COVID-19/TeamMemberInfo) and reference the COVID-19 HMH Pay Scenarios & Process Guide for additional information. You can reach out to your local site Human Resources partner with questions.
