

PT/OT/ST Telehealth Facility Billing				
Payer	Information from Payer Policy or communication from the payer.	effective date	Hyperlink	Cost Share Waiver
Aetna	Update 5/26/2020: Aetna's liberalized coverage of Commercial telemedicine services, as described in its telemedicine policy, will now extend through August 4, 2020. Bill as you normally bill make sure that the appropriate Modifiers GT, 95 are appended. The modifier would be the driver to indicate	3/6/2020 - 12/31/2020	refer to the policy - unable to attach hyperlink since access is dependent on user access into Availity.	Yes - Cost sharing will also be waived for real-time virtual visits offered by in network providers.
Aetna Better Health	Health care providers may bill for any Medicaid billable service using the same billing codes and rates that are provided for face-to-face services. There is no need to use any additional procedure codes or additional modifiers.	This is in effect for the duration of the COVID-19 public health emergency only.	<a href="https://www.aetnabetterhealth.com/newjersey/providers/telehealth#0">https://www.aetnabetterhealth.com/newjersey/providers/telehealth#0</a>	Yes
Amerigroup	On a UB04 claim bill with revenue code 0780. Codes that would be appropriate for telehealth for PT/OT/ST: PT eval codes: 97161, 97162, 97163, and 97164. OT eval codes: 97165, 97166, 97167, and 97168. ST eval codes: 92521, 92522, 92523, and 92524. PT/OT treatment codes: 97110, 97112, 97530, and 97535. ST treatment codes: 92507, 92526, 92606, and 92609. These codes that require equipment and/or direct physical hands on interaction and	as of 3/17/2020 for the duration of the public health emergency	<a href="https://providers.amerigroup.com/Public%20Documents/NJNJ_CAID_PU_TalkingPointsCOVID19.pdf">https://providers.amerigroup.com/Public%20Documents/NJNJ_CAID_PU_TalkingPointsCOVID19.pdf</a>	Yes
AmeriHealth	Telemedicine ancillary services (e.g. PT/OT/ST) reported by facilities billing on a UB-04 claim form, or the equivalent form 837i, should report the appropriate revenue code along with the corresponding procedure code representing the service provided appended by the GT, GQ or 95 modifier, as needed. •Waiving prior authorizations on any telemedicine services while the COVID-19 emergency order is in place. Providers must notify AmeriHealth New Jersey that the member is receiving services.	3/6/2020 - through the public health emergency or December 31, 2020, whichever is later, and supersede Policy #00.10.42c Telemedicine and Telehealth (AmeriHealth New	<a href="http://medpolicy.amerihealth.com/policies/MI.nsf/589af45da2d92902852575080056bc3a/7982e451391e36b0852585490077c218%21OpenDocument">http://medpolicy.amerihealth.com/policies/MI.nsf/589af45da2d92902852575080056bc3a/7982e451391e36b0852585490077c218%21OpenDocument</a>	Yes -Waiving cost-sharing on any telemedicine servicesfor the duration of New Jersey's public health emergency.
Cigna	also provide those services virtually. In these cases, the provider should bill as normal on a UB-04 claim form with the appropriate revenue code and procedure code, and also append the GQ, GT, or	3/2/2020 - 7/31/2020	<a href="https://static.cigna.com/assets/chcp/resources">https://static.cigna.com/assets/chcp/resources</a>	No - Waiver of Cost Share is only for COVID related services
Horizon Commercial	Bill as normally billed just make sure that the modifiers are appended, this is what is online: Horizon BCBSNJ will continue to accept claims for telemedicine services when modifiers 95 or GT are appended to CPT® or HCPCS codes that ordinarily describe face-to-face services. •Authorization and referral requirements are waived for telemedicine services during this temporary expansion.
